Quality Assessment Division 1400 Independence Avenue SW, Stop 0258 Washington, DC 20250 G-21 Specification July 8, 2019 Page 1 of 2

# DemKota Ranch Beef Program G-21 Specification

## 1 **REQUIREMENTS**

Beef carcasses certified under this specification shall meet the following requirements:

- a. Classed as Steer or Heifer carcasses only<sup>1</sup>;
- b. U.S. Prime, Choice, or Select with the following marbling scores<sup>1</sup>:
  - i. DemKota Ranch Beef, Prime Full range of marbling allowable in the Prime grade,
  - ii. DemKota Ranch Beef, Premium Choice Marbling score of Modest 0 to Moderate 99,
  - iii. DemKota Ranch Beef, Choice Marbling score of Small 0 to Small 99,
  - iv. DemKota Ranch Beef, Select Full range of marbling allowable in the Select grade;
- c. Less than 30 months of age with lean color, texture, and firmness, meeting the requirements for A maturity in the U.S. grade it qualifies for<sup>1</sup>;
- d. No hump exceeding 2 inches in height<sup>2</sup>;
- e. Practically free (not detracting from visual quality) of capillary rupture in the ribeye muscle; and
- f. Free of "dark cutting" characteristics.

### 2 CERTIFICATION

Carcasses to be examined for compliance with this specification shall be clearly identified and presented to an AMS grader for certification. Certification procedures for identification, the removal of preliminary identification marks (or other methods of control) from non-qualifying carcasses, and control of certified carcasses shall be in accordance with established Quality Assessment Division (QAD) procedures.

#### 3 LABELING

Labeling of products derived from certified carcasses must follow Food Safety and Inspection Service regulations and policy guidelines and QAD procedures.

## 4 FEES

The costs of all grading and certification services performed by an AMS grader involving examinations, supervision, official documentation, and related services shall be borne by the person, group, or plant requesting the service.

<sup>&</sup>lt;sup>1</sup> Determined in accordance with the "Official United States Standards for Grades of Carcass Beef."

<sup>&</sup>lt;sup>2</sup> Measured from a line formed by the extension of the top line (including the fat) and measuring the lean muscle (excluding the fat) perpendicular to that line in the center of the hump.
