National Organic Program
Annual Report Checklist

Instructions:

Accredited Certifying Agents (ACA) are to use this checklist to submit annual report information to the National Organic Program (NOP). The goal of the annual report is to identify any changes that have occurred in the ACA’s organization since the previous assessment or annual report, as applicable. Indicate if any changes have occurred by marking the “yes” or “no” column, as appropriate. If changes have occurred, the updated information must be submitted to the NOP with this completed checklist; information may be inserted directly into this checklist or attached separately and referenced in the checklist.

The annual report is due on the anniversary date of the ACA’s accreditation; mailed information must be postmarked by the anniversary date of the ACA’s accreditation. Annual reports must be submitted electronically via email or on electronic media (e.g. compact disk (CD, flash memory card, etc.)); paper documents will not be accepted.
