Chief Operating Officer

Quality Certification Services, a Guyana National Organic Program and ISO-65 compliant certification program, has determined, based on a review of the above named entity's application and records, and inspection of its fields, facilities and processes, that the above named entity meets or exceeds the appropriate and the applicable standards of organic production, handling and processing. In displaying this certificate, the Certified Entity warrants that it is in, and will remain in, full compliance with the organic standards set by the Guyana National Organic Program. Once certified, a production or handling operation's organic certification continues in effect until surrendered or revoked.
