

United States Department of Agriculture

**Official Listing of USDA and USDA-Approved Laboratories
Laboratory Approval Program for Export of Meat and Poultry Products**
(Last Revised August 30, 2022)

The participants listed below have been evaluated by the United States Department of Agriculture, Agricultural Marketing Service, and have been found to be in conformance with the requirements of USDA, AMS Laboratory Approval Program for Export of Meat and Poultry Products (LAP-Export). The LAP-Export is to assure participant laboratories perform validated confirmatory analysis of chemical residues, microorganisms, and parasites in pork, beef, sheep and poultry products. Approval is granted on an analyte basis, not by country.
