

Proteins, Grains, and Oilseeds 2024 Industry Meeting

Join us for a Virtual Proteins, Grains, and Oilseeds 2024 Industry Meeting.

The Agricultural Marketing Service (AMS) Commodity Procurement Program (CPP) Proteins, Grains, and Oilseeds Procurement Division (PGOPD) will hold a Virtual 2024 Industry Meeting to discuss commodity purchase programs.

This meeting will afford industry an opportunity to hear about upcoming changes and allow collaboration with other supplier and contractor stakeholders. The industry will also hear directly from the Food and Nutrition Service (FNS) on the direction of their programs. Breakout sessions will be available to meet with the Livestock and Poultry Program, Dairy Program, and Federal Grain Inspection Service Program. Interested participants are directed to use the link to register for the event by September 5, 2024.
