TO: PRUNE MARKETING COMMITTEE

SUBJECT: RELEASE OF GROWER PRODUCTION INFORMATION

Approval is hereby granted to the Prune Marketing Committee (Committee) to release California prune production information for any grower tonnage delivered to us. This approval is contingent upon the grower submitting a written request to the Committee authorizing the release of production information to the Federal Crop Insurance Corporation under the Risk Management Agency, the Farm Service Agency or other agencies of the U.S. Government. This authorization is granted to the Committee until canceled in writing.
