VERIFICATION FOR THE EUROPEAN UNION
HIGH QUALITY BEEF QUOTA

1 Purpose

This document outlines the procedure to verify that cattle and beef carcasses have met the requirements of the European Union (EU) High Quality Beef (HQB) quota as defined in European Commission Regulation No. 620/2009, Annex 1.

2 Scope

The Agricultural Marketing Service (AMS), Livestock and Poultry Program, Quality Assessment Division (QAD) conducts the verification activities for the EU HQB quota.

4 Responsibilities

4.1 The QAD is responsible for the following:

a) Conducting audits of the USDA-approved service providers and feedlots in accordance with QAD 1001 Procedure and/or QAD 1040 Procedure. The audits verify feeding practices and rations to ensure conformance to the EU HQB quota.

b) Verifying feeding practices and records to ensure conformance to the EU HQB quota.

c) Issuing QAD 1013C Form for cattle and beef carcasses that conform to the EU HQB quota.
4.2 QAD employees conduct evaluations of carcasses intended for use under the EU HQB quota.

4.3 Harvest facilities are responsible for the following:

   a) Submitting documents and records, including a copy of the signed QAD 1040A Form, to the QAD to verify conformance to the EU HQB quota;

   b) Providing the QAD 1040A Form to QAD employees prior to carcasses being evaluated; and

   c) Providing the signed QAD 1013C Form to the USDA, Food Safety Inspection Service (FSIS) employee to facilitate the signing of the FSIS Form: 2630-9.

4.4 USDA, FSIS employees are responsible for signing the FSIS Form: 2630-9.

5 Procedures (Sections 5.1 through 5.4)

5.1 General Requirements

5.1.1 Cattle must be from a USDA-approved NHTC Program, as listed on the Official Listing of Approved Sources of Non-Hormone Treated Cattle, as well as a USDA approved Livestock Feeding Claims Audit Program, as listed on the Official Listing of Approved Companies to the Livestock Feeding Claims Audit Program.

5.1.2 Cattle must be verified as conforming to the feeding practices and rations of the EU HQB quota in accordance with Section 5.2 below.

5.1.3 All carcasses exported under the EU HQB quota must be evaluated in accordance with Section 5.3 below.

5.2 Verification of Feeding Practices and Rations

5.2.1 The QAD receives and reviews documents (e.g. feeding affidavits) on a lot-by-lot basis to verify that cattle are derived from a feedlot approved under the QAD 1040 Procedure. The feedlot may be approved by the QAD or a USDA-approved service provider.

5.3 AMS Declaration of Carcass Evaluation

5.3.1 QAD employees evaluate each lot of carcasses intended for use under the EU HQB quota. Carcasses are evaluated using the Official United States Standards for Grades of Carcass Beef.

5.3.2 QAD employees complete and sign QAD 1040A Form for each lot of carcasses evaluated.
5.3.3 The QAD receives the signed QAD 1040A Form and verifies that carcasses are from cattle verified as meeting the feeding practices and rations as outlined in Section 5.2.

5.4 AMS Statement of Verification

5.4.1 Once cattle and beef carcasses are determined to conform to the EU HQB quota, the QAD issues QAD 1013C Form.

5.4.2 The QAD provides an electronic copy of the signed QAD 1013C Form to the harvest facility.

5.4.3 The signed QAD 1013C Form must be presented to the FSIS employee to facilitate the signing of FSIS Form: 2630-9.
