A Final Performance Report and an SF-425 Final Financial Report will be required within 90 days following the end date of the grant agreement. Review the approved State Plan, any amendments, and previous annual performance reports for the grant agreement prior to your review of the Final Performance Report to ensure all previous and future activities, performed goals, and outcomes are adequately reported per the checklist below. The final report will be posted on the SCBGP-FB website and represents an important vehicle for sharing project findings with Federal and State agencies and the public. The Final Performance Report should include a cover page and sections for each project that detail the progress to date.
