**SUPPLEMENT 211 TO THE AMS MASTER SOLICITATION**

**FOR THE PURCHASE OF FROZEN GROUND BEEF PRODUCTS FOR  
DISTRIBUTION TO FEDERAL FOOD AND NUTRITION ASSISTANCE  
PROGRAMS**

This Amendment is issued to make the following change to Supplement 211:

**1)** Replace Attachment II with the attached Federal Purchase Program Specification (FPPS) for Animal Handling and Welfare, dated June 2014.

Note: The revised Animal Handling and Welfare requirements will apply to AMS solicitations beginning July 1, 2014.

All other terms and conditions remain unchanged.

# APPROVED

**FEDERAL PURCHASE  
PROGRAM SPECIFICATION  
(FPPS) FOR ANIMAL  
HANDLING AND WELFARE**

Contracting Officer Technical Representative (COTR)  
Agricultural Marketing Service (AMS)  
Livestock, Poultry and Seed (LPS) Program  
Food Safety and Commodity Specification (FSCS) Division  
Room 2628 S-Bldg, Phone: (202) 692-0342

Supersedes: TRS-AHW-2013 July 2013 – Changes from  
previous requirements in [blue](#)

**Effective: [June 2014](#)**

**100 GENERAL**

**101** This document is for use by the Department of Agriculture (USDA), AMS, LPS Program to ensure that the animal handling and welfare requirements for Federal nutrition assistance programs reflect industry best practices.

**110 PROGRAM APPROACH**

**111** All animal harvest facilities that supply raw materials from bovine, porcine and ovine species for the production of AMS destined finished products must develop and implement a written program that is consistent with a systematic approach to humane animal handling and welfare as outlined in 69 FR 54625. The program will ensure proper animal handling and welfare techniques are conducted from the time the transportation conveyance enters the facility's premises through the stunning and exsanguination of the animal.

**120 PROGRAM SUBMISSION**

**121** The program will be submitted as a supporting document to the organization's approved technical proposal and must address the requirements outlined in **Section 200 – PROGRAM COMPONENTS**.

**200 PROGRAM COMPONENTS**

**201** The contractor must ensure that any facility that harvests animals has a:

**210 MANAGEMENT COMMITMENT**

**211** Steering Committee (internal) which is ultimately accountable for animal handling and welfare initiatives within the organization.

**212** Mission Statement on animal handling and welfare that is distributed to all employees and conspicuously displayed at the premises.

**220 TRAINING PROGRAM**

- 221 Training program on Animal Handling and Welfare that:
- 221.1 is provided to all employees interacting with animals;
- 221.2 covers the AMI *Recommended Animal Handling Guidelines and Audit Guide 2013 Edition*;
- 221.3 is facilitated by an employee that has earned and maintained a certification of animal handling and welfare training, such as that offered through the Professional Animal Auditor Certification Organization (PAACO) or an equivalent.
- 221.4 is conducted no less frequently than once a year for each designated employee; and,
- 221.5 requires signed documentation from each employee and confirmation by signature of the designated, certified trainer upon successful completion of training.

**230 QUALITY MANAGEMENT PLAN**

- 231 Written quality management plan (internal) which addresses all provisions of Chapter 3: Transportation Audit Guidelines, 7 Core Criteria and Chapter 4: Auditing Animal Handling and Stunning, 7 Core Criteria, of the AMI *Recommended Animal Handling Guidelines and Audit Guide 2013 Edition*, found at the following web site address:
- 231.1 <http://animalhandling.org/ht/d/sp/i/26752/pid/26752>
- 232 This internal quality management plan must also provide for routine assessment and monitoring of humane handling through the use of a numerical scoring system conducted by a trained employee.

**240 NON-AMBULATORY AND U.S. SUSPECTS****241 CATTLE**

- 242 Written protocol in-place and enforced that precludes the receipt of or having non-ambulatory, disabled cattle on the harvest facility premise. In the event that animals become non-ambulatory or disabled at any time while present at the harvest facility, the animal will be humanely euthanized and the carcass removed from the premise in a timely manner through contracted services or other means.

**243 HOGS AND SHEEP**

244 Written protocol in-place and enforced that ensures all animals designated by Food Safety Inspection Service (FSIS) as U.S. Suspects (9 CFR 301.2) that are slaughtered are appropriately segregated during the harvest and production processes and precluded from inclusion in any products purchased by AMS.

**300 PROGRAM EVALUATION AND ELIGIBILITY**

301 The program will be audited (external) by AMS or a firm accredited by AMS. The accreditation of the firm will be conducted by the Quality Assessment Division (QAD) through the **USDA ISO Guide 65 Program**. Alternatively, at the option of the organization, the audits can be performed by QAD auditors.

302 Audit findings thought to be in conflict with Food Safety and Inspection Service (FSIS) regulations will be communicated to the establishment's FSIS Inspector in Charge (IIC) or designee.

**310 AUDIT FORMAT**

311 AMS or the AMS accredited auditing firm will conduct audits utilizing the following format:

**312 TRANSPORTATION SEGMENT (CHAPTER 3: AMI RECOMMENDED ANIMAL HANDLING GUIDELINES AND AUDIT GUIDE 2013 EDITION)**

312.1 Audited organizations must pass Core Criteria 1 and 6 with a minimum scoring of excellent, Core Criteria 2 through 5 with a minimum scoring of acceptable and Core Criteria 7 must be adhered to with full compliance (zero tolerance) each time an audit is performed.

**313 ANIMAL HANDLING AND STUNNING SEGMENT (CHAPTER 4: AMI RECOMMENDED ANIMAL HANDLING GUIDELINES AND AUDIT GUIDE 2013 EDITION)**

313.1 Audited organizations must adhere to Core Criteria 1, 2, 6 and 7 with full compliance (zero tolerance) and to Core Criteria 3, 4 and 5 with a minimum scoring of Acceptable each time an audit is performed.<sup>1/</sup>

313.2 The auditor shall inform FSIS and organization officials in writing of all audit findings, including any observations of missed stuns and/or animals regaining sensibility following stunning, upon completion of the audit during the exit interview.

<sup>1/</sup>Religious harvest (Kosher and Halal) shall be exempt from the AMS auditing of Core Criteria 1: Effective Stunning.

**320 INITIAL AUDIT**

321 Initial audit must be performed prior to award of contracts.

**330 AUDIT FAILURE**

331 If an audit is failed for any of the Core Criteria, the organization is not eligible to provide product until such a time that corrective and preventative actions are approved by the COTR, implemented and proven effective.

**340 AUDIT FREQUENCY AND STATUS**

341 STANDARD - Until four (4) consecutive successfully passed audits are attained, an audit must be conducted within 3 months of the previous audit.

342 MONTHLY - If at any time an audit identifies any of the Core Criteria not meeting the pass requirements while in the STANDARD phase, auditing will be required to be conducted on a monthly basis once corrective and preventative actions have been approved by the COTR, implemented and proven effective. This schedule will be for a period of time until four (4) successive audits are found to meet the passing requirements noted in **SECTION 310 – AUDIT FORMAT**; at which time audits shall be conducted on the STANDARD basis.

343 If four successfully conducted audits are sequentially completed within a one year period while in STANDARD auditing phase, the facility may move to a SEMI-ANNUAL audit basis.

344 SEMI-ANNUAL - Semi-annual audits may continue until such time that a failed audit is reported or a period of greater than six months has elapsed without any audits being performed; at which time the audits must resume as described for STANDARD audits.

345 FOR-CAUSE – Any official enforcement actions issued by FSIS for missed stuns or for an animal regaining sensibility following stunning shall result in an immediate for-cause animal handling and welfare audit by AMS. Subsequent audit frequency will be determined by results of the AMS audit, as described above.

**400 COTR**

401 The COTR can declare an organization's Animal Handling and Welfare Program out of compliance at any time.

402 The organization shall immediately notify the COTR when any animal handling and welfare official enforcement action is issued by FSIS.
