

ADDENDUM TO THE PROVIDER AGREEMENT TO ELECTRONICALLY FILE AND MAINTAIN COTTON WAREHOUSE RECEIPTS

This Addendum between (a) _____ (Provider) and the Agricultural Marketing Service (AMS) authorizes the Provider to establish and maintain a database and system, referred to as a central filing system (CFS) for the purpose of electronically filing cotton electronic warehouse receipts issued under the United States Warehouse Act (USWA) and permits the Provider to accept the filing of electronic warehouse receipts from other than USWA licensed warehouse operators in such electronic data filing system. Such electronically filed warehouse receipts for cotton are hereafter referred to as "Electronic Warehouse Receipts (EWRs)."

This Addendum sets forth the Provider's minimum requirements for EWR record formatting, reporting requirements and the protocols to be used in the transmission of such information.

I. Receipt Record Data Requirements

AMS, in administration of the USWA, the regulations found at 7 CFR Part 869, the Provider Agreement To Electronically File and Maintain Electronic Warehouse Receipts, and this Addendum, may at any time require the Provider to furnish information beyond the minimum requirements shown in this Addendum.

A. Required Information

The Provider shall, at a minimum make the elements listed below available to every USWA and non-USWA licensed warehouse operator issuing EWRs in the CFS. The Provider shall ensure that all of these fields are completed by all warehouse operators. The Provider shall advise warehouse operators that it is the warehouse operator's responsibility to supply the necessary data to complete each element.

B. Additional Information

The Provider shall, at a minimum, make the element listed below available to every USWA and non-USWA licensed warehouse operator issuing EWRs in the CFS. The Provider shall ensure that this field is completed by all warehouse operators. The Provider shall advise warehouse operators that it is the warehouse operator's responsibility to supply the necessary data to complete this element. This addendum does not restrict the number of fields that may be made available to warehouse operators.

Commodity Credit Corporation (CCC) Agreement (Y or N)

C. Required elements that can be modified without the warehouse operator being the holder

AMS may modify the elements, "receiving charges paid or due", and "storage paid through date", on EWRs that CCC is the holder and payments have been made to the warehouse operator. The Provider shall notify the warehouse operator of any changes.

AMS will allow the warehouse operator to modify the element, "location of bale", without being the holder of the EWR. The Provider shall notify the current holder of the EWR of any changes.

D. Converting Electronic to Paper

When converting from an electronic to a paper warehouse receipt, the Provider shall advise the warehouse operator to print on the face of the paper warehouse receipt the EWR number.

II. Transmission of Data

Upon request by AMS all transmissions of data shall be secured and transmitted via telecommunications hardware and software according to the requirements described in Attachment I Provider Specifications for interfacing with Warehouse Examiners' Communications Software (WECS).

III. Terms and Conditions for USWA Licensed Warehouse Operators

The following information must be recorded on all EWRs.

The statements:
