Amanda J Brewster

OCIA Executive Director

This certificate is valid only to document the OCIA certification of the operation named on this certificate. This certificate is not valid for trade, but only validates that the above operation may have product eligible for certification. By accepting this Certificate, the named operator agrees to maintain compliance and follow the approved management plan. The named operator agrees that this certificate will only be used as outlined in the regulations for the NOP program. This certificate is valid until certification is surrendered, suspended or revoked. An updated organic management plan and on-site inspection are required annually.

This certificate is valid only to document the OCIA verification of the operation named on this certificate. This certificate is not valid for trade, but only validates that the above operation may have product eligible for approval by appropriate authorities. By accepting this Certificate, the name operator agrees to maintain compliance and follow the approved management plan. The named operator agrees that this Certificate will only be used to demonstrate that products produced are compliant to the above named program. This certificate is issued under the accreditation program managed by the International Organic Accreditation Service (IOAS) and by the American National Standards Institute (ANSI). This certificate is valid only until the expiration date or until it is revoked.
